For everyone who needs to know what hand of cards beats what!

SUITS ARE: D=Diamonds, C=Clubs, H=Hearts, S=Spades

Starting at the lowest to the highest.

Name	Example
PAIR	ie. 2-2's or 2-Jacks
3 OF A KIND	ie. 3-4's
STRAIGHT	Five in a row ie. 5,6,7,8,9
FLUSH	Five of a suit ie. 3H, 4H, 6H, 8H, JH,
FULL HOUSE	3 OF A KIND + A PAIR
FOUR OF A KIND	7, 7, 7, 7,
STRAIGHT FLUSH	ie. 3D, 4D, 5D, 6D, 7D

**ROYAL STRAIGHT FLUSH is only the top of a suit
ie. 10S, JACK-S, QUEEN-S, KING-S, ACE-S**

If players have an identical combination for their poker hands, the player with the highest single card has the winning hand.

ie. If both players have a pair of 10's, the highest single card in the hand is a jack, if the other player has a Queen, King or Ace, his hand wins.
